GAMES

TACTIC IS THE MOST ECOLOGICAL GAME DEVELOPER IN THE NORDICS!

We put our hearts into developing our games in Finland.

Tactic Group is a family of companies specializing in games and toys, offering high-quality products responsibly manufactured in Europe from premium materials. As the most ecological game developer in the Nordics, we take pride in our Finnish roots and the values that guide us: responsibility, ethics, and eco-friendliness. Our Tactic games are proudly made in Finland, where we pour our passion into creating products that bring families and friends together for unforgettable moments of joy and connection. These core principles have been at the heart of our business from the beginning, and they remain as strong as ever today.

Quality time with loved ones is more important now than ever. That is why we continually strive to innovate and produce games and toys sustainably. Most of our products carry the Key Flag Symbol or the Designed in Finland label, a testament to their Finnish origin and craftsmanship.

This catalog showcases our exciting new products for 2025. Explore our range and discover how Tactic continues to deliver games and toys that create cherished memories while prioritizing responsibility and sustainability.

Read My Mind

Are you like an open book? Read a question and write down your answer, but do not reveal it to the others. Now the other players reveal their suggestions, and you rank them. Pick your favorite and least favorite and add an extra twist with the decoy. Can they read your mind and rank them the same way?

- An entertaining and light-hearted party game!
- How well do you really know your friends?
- Take your mind-reading skills to the next level and find out!

TACTIC IS

RESPONSIBLE

We are a responsible family business. Ecological values and sustainability define our products as well as our development chain.

We are always looking for new ways to make our products even more ecological and sustainable. We have been awarded the FSC certificate, which guarantees that the cardboard and carton used in our products comes from sustainable forests. Our wood products have been awarded the PEFC certificate.

POSITIVE

Our message is that gaming is a joy. Millions of families and friends all around the world gather together to play our games and enjoy quality time as one.

SOCIAL

Nothing beats a shared gaming experience. Board games develop the thinking skills, memory, and strategic skills of children as well as adults – and keep us away from our screens!

ENTERTAINING

Our main goal is to make entertaining games. We know we have succeeded when our games are played round after round, from one generation to the next.

HONEST

Finnish determination and integrity guide our actions in relation to both our customers and our partners. We play hard but fair.
